Do you demand the best from your professional career? Are you inspired by excellence? At SAP, you will have the power to make a real impact. As the global market leader for business software, SAP helps companies and organizations in more than 25 industries to run better.

### PURPOSE AND OBJECTIVES

The Design and Co-Innovation Center is a global and multicultural team with a challenging and motivating task: improve SAP's perception around design by creating outstanding UX concepts and design showcases together with our customers. To reach their goals, DCC provides a wide range of design services.

### EXPECTATIONS AND TASKS

- Analyse and improve internal processes, i.e. staffing process, for our global team with respect to transparency, efficiency and accessibility
- Put numbers into graphics that are easy to understand: Program an interface to export data (from Microsoft Outlook) and create meaningful and awesome statistics.
- Apply a user-centred design approach: Identify opportunities, develop ideas and proactively move your ideas forward (design, prototype, test, iterate).
- Explore alternative tools for internal process
- Successfully communicate and collaborate with a multicultural team of designers and managers.

### EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Preferred field(s) of study: Design (Interface, Interaktion, Digital Media) or Business Informatics. Focus in data visualization and work process optimization is a plus.
- Computer skills: Visual Basic or similar languages, Microsoft Outlook and Excel, Basic Knowledge of Adobe Creative Suite (Illustrator, Photoshop).
- Language skills: Fluent in English (German is optional)
- Soft skills: Highly motivated team player, self-directed and with a positive can-do attitude
- Entrepreneurial mindset and is able to keep track with latest technology and design trends.

### WORK EXPERIENCE

No previous work experience required.

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs/ programming languages.

!PLEASE APPLY ONLINE AT [WWW.CAREERSATSAP.COM](http://WWW.CAREERSATSAP.COM)!

### SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.
