Do you demand the best from your professional career? Are you inspired by excellence? At SAP, you will have the power to make a real impact. As the global market leader for business software, SAP helps companies and organizations in more than 25 industries to run better.

PURPOSE AND OBJECTIVES

The Design and Co-Innovation Center is a global and multicultural team with a challenging and motivating task: improve SAP's perception around design by creating outstanding UX concepts and design showcases together with our customers. To reach their goals, DCC provides a wide range of design services.

EXPECTATIONS AND TASKS

- Develop and produce films and animation concepts for new products and internal and external communication. The whole process is covered from scratch till the Oscar ceremony.
- Produce meaningful and high quality layout and illustrations for software interfaces, motion graphics and presentations
- Support the team in materialising graphic products (presentations, brochures, apps and screens) with an awesome unique design

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Student (f/m) at a university or university of applied sciences
- Preferred field(s) of study: Design (Integrated, Visual, Graphic, Motion or Multimedia) or Visual/Fine Arts
- Computer skills: Basic knowledge of the Adobe Creative Suite with focus on Illustrator, Photoshop, After Effects, Premiere and Indesign (optional)
- Language skills: Fluent in English (German is optional)
- Soft skills: Passionate, enthusiastic and eager to learn
- Interested in both print and digital graphic design solutions and filmmaking and motion graphics
- On top of the latest trends and able to develop your own ideas
- You have an online portfolio. It can be a vimeo account or a tumblr
- You strive for quality ("it is never good enough")
- You smile and like music in the office

WORK EXPERIENCE

No previous work experience required.

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs/ programming languages.

!PLEASE APPLY ONLINE AT WWW.CAREERSATSAP.COM!

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.
